

# Mayor Pro Tempore Dennis Fleming

## Occupation

Ship Escort & Response Vessel System (SERVS)

## Brief Biography

Dennis Fleming is a lifelong resident of Valdez and a graduate of Valdez High School. In the summer of 1990, Dennis began a 10-year career with the Laborers Local 341, working with Alyeska's maintenance and construction industry, transitioning through the ranks to General Forman.

In 2000, Dennis accepted a technician position with Alyeska, eventually working his way into the SERVS oil spill response organization. During his tenure with SERVS, Dennis has managed a multimillion-dollar maintenance budget and was responsible for working with members of the various communities in Prince William Sound to train fishing vessel crews in oil spill and emergency response.

Dennis' hobbies include spending time with his family, fishing, exploring Prince William Sound and volunteering his time coaching youth and junior high basketball.

In 1998 Dennis married Jennifer, a 17-year resident of Valdez. Dennis and Jennifer are the proud parents of two daughters, Mason (age 16) and Jillian (age 14). The Flemings love living in Valdez and being an active part of the community.
