#### TERMS & CONDITIONS

1. This contract shall be subject at all times to such changes or modifications by the Council as from time to time it directs, in the exercise of its jurisdiction.
2. The City will exercise reasonable diligence and care to deliver a continuous and sufficient supply of water to the customers at the proper pressure, and to avoid any shortages or interruptions of delivery. The City shall not be liable for any damage resulting from an interruption in services. The City may resort to temporary shutdown for improvements and repairs.
3. Customer shall abide by the laws and regulations of the City pertaining to water and sewer service and that customer shall duly and regularly pay for water and sewer service at designated rates as shall from time to time be fixed by City Council.
4. Deposits shall be required for all new water and sewer service connections and shall be paid at the time water and sewer service is applied for.
5. Water and sewer service charges are billed and payable quarterly in advance of service rendered. If such bill is not paid prior to the billing date of the next billing, it is delinquent. Late charges at 10.5% per annum will be assessed and service may be discontinued.
6. The owner of the real property shall be responsible for water and sewer bills incurred by his/her tenants.
7. Property is subject to liens, penalties, and interest for non-payment of water and sewer charges.
8. A customer may have his/her water and sewer service discontinued by notifying the City in writing within five (5) days of the desired discontinuance. **The customer is required to pay the balance of their account at that time.**
9. It is the customer's responsibility for locating the thaw wire and thawing any frozen water lines between the water main and his/her residence or other building served.
10. The City may discontinue service to any customer who violated provisions of this contract or City laws and regulations pertaining to the use of the City's water or sewer system.
