

MASK OR FACE COVERINGS REQUIRED

Valdez City Council Local Health Mandate #004

Face coverings required by all persons over 5 years of age, unless medically intolerable or performing an activity which cannot be done safely while wearing a mask.

The City of Valdez reserves the right to use all available enforcement options to assure compliance. However, businesses and non-profits will not be subject to fines based on non-compliance by customers so long as there is a clearly posted sign at each public entrance informing customers that they are required to wear face coverings.

Brief removal of a face covering, such as necessary to eat, drink or scratch an itch does not constitute a violation of mandate 004.

Violation of mandate 004 does not create grounds for residents to harass individuals who do not comply.
